

Wanaki Junior Golf League Update 6/29

So, it was a bit of a hot one Monday although the windy conditions helped make it bearable for most who came out to the course. Everyone who checked in and completed their round with a score reported should be commended. Remember you are required to check in when you arrive and "check out" when you leave by reporting your score to Pete (ME). Some kids are not properly checking in and a number are not checking out. Remember, even if you leave early, you still need to report that to me. Also remember empty water bottles and trash needs to be thrown away into the garbage cans. I have noticed a lot of kids really having fun so far, inventing their own competitions like 2 on 2 scrambles and other types of games. I also really like seeing the hats off handshakes at the end of the round that many kids have been doing. Taking care of the course is very important and from what I have seen, kids are doing a good job of this as well. I look forward to seeing everyone next week with a beautiful 75 degree day predicted!
