

Wanaki Junior Golf League Update 7/6

It was a beautiful day for golf as the kids appeared to be in a terrific mood overall being outside, enjoying the weather, and playing some golf. Today's kids are our future golf customers and we are excited to see them having fun! For the most part things have been going very well. We do need to stress the importance of the check in and check out procedures. 17 golfers were marked absent because they did not properly check in yet reported a score which is how they check out. There were 30 golfers who appeared to have checked in but then disappeared as they did not check out. If you leave early, you must let me know. All golfers are expected to keep a score, either individual or scramble, and reporting that score to me is how they check out. With all of the parents coming to pick up kids, and for any other issues that occur on the course, we need to know where everybody is at all times. It looks like the heat may be back next week...come prepared! 3 weeks left...keep up the good work!
