

Wanaki Junior Golf League Update 7/13

It was most definitely a hot one on Monday but we did have exactly 100 kids who were so dedicated that they completed their round, with a score, which was awesome! Learning to stay hydrated, seek out shade in the intense heat, and how to deal with adversity are all important skills these kids are learning, in addition to golf. Not to mention math when adding up their scores! Ha! Next, I want to explain Scramble rules quickly because I am seeing some potentially dangerous and dishonest things going on with groups playing a Scramble:

*Everyone in the group tees off. All go to the best shot after picking up their ball, not hitting it! This procedure is followed for every shot until the ball is in the cup. Each member of the group gets **ONE** attempt! The best strategy is to have your weaker players hit first and so their job is to get one in play and then your best player should go last so they can go for it. But there should be no hitting individual shots when your ball is not being used.*

It is supposed to be hot again Monday so please come prepared.

Water, hats, umbrellas and other items can still make the round fun despite the heat!
