

Wanaki Junior Golf League Update 7/20

We have reached the final fun filled week of the Wanaki Junior Golf League! Overall, it has been a fantastic year! I have been involved with the league for 46 years now and this may be the nicest, most respectful group ever. Shaking hands with their playing partners as many groups do, wishing me to have a nice day, the reporting of lost items, and picking up trash like water bottles are all things the kids should be commended for. Pace of play was decent and many young golf games were able to develop further. The kids improved on not walking ahead of their partners and leaving their clubs a long way from their ball but do still have a ways to go on this. I guess the biggest problem was honesty and accurate reporting of scores. We have about 10 kids, high school golfers, who are capable of truly shooting in the 30's and only a few more who can do it in a scramble so many of these scores are quite unbelievable but if that is our biggest problem, we are doing great in my opinion! It has been a lot of fun talking with the kids and getting to know them as well as seeing the excitement when they hit a great shot or have a good score. Thanks for playing and see you next year!!!!
